

Alex Bainbridge

Alex is a leading innovator in the tours & activities sector. Previous accomplishments including being first commercialise tour operator reservation systems via Software as a Service with TourCMS in 2007. Then he lead the industry wide push to local supplier to online travel agent distribution connectivity for dates, prices and bookings in 2012-2015. He is now working on his third groundbreaking industry innovation, using self driving cars to deliver sightseeing experiences.

About Autoura

Autoura is a technology platform for the creation and management of autonomous vehicle sightseeing routes. We provide sightseeing tour routing data and attraction booking capability to vehicle manufacturers (and other travel industry brands) for incorporating into vehicle based user interfaces and smartphone apps.
