

Gordon Freiherr von Godin

Since 3 years Gordon is Director of the DDR Museum, one of the most visited museums in Berlin. The museum is well known for his interactive, touchable installations connected with objects. Since August 2018 the company opened a multimedia exhibition at "Alte Münze" about the 1990-ies in Berlin and themes like freedom, explosion in fashion, art, music, architecture and politic are focused here. He is managing director for that temporary exhibition in Berlin too. Before he lived with his family for 9 years in Munich and was responsible for European Leisure Sales at the US-hotel chain Choice Hotels.
