- Bachelor Degree in Anthropology at Ruprecht Karls University (Heidelberg, Germany) (2016)
- Bachelor Thesis about motivations of voluntourists to attend ecological projects overseas
 - Always I was positively fascinated by voluntary work overseas. During my field research in Costa Rica I was confronted with the negative impacts of tourism. Still believing in the positive influence of tourism I wanted to stay in this field but make it more sustainable and better for all parties. That's how I joined the Master Programme of Sustainable Tourism Management.
