

Yann Maurer

Originally from France, Yann gained experience as a consultant in the finance sector before founding Regiondo, a reservation and management software solution for the tour and activity sector where he serves as its Chief operating officer.

Since 2011, he helps activity providers and destination management organizations to get a strong foothold in the fast-growing digitalization of the tours and activities industry. Regiondo is headquartered in Munich and employs 50 people in its offices across Europe.

Yann graduated from Kedge Bordeaux and from WHU Koblenz.

About Regiondo

Regiondo is Europe's leading booking software for the leisure industry. More than 7,500 tour and activity providers from 42 countries power their revenue using our booking software- all operated by our headquarters located in Munich. Our experts not only ensure a smooth booking process but comprehensive customer care as well. The booking system can be professionally linked to your own website and adapted to your individual design. Our booking system also includes an extensive marketing network and specific user analyses.
