

Metin Arghan

Metin Arghan was born in 1957 in Istanbul, Turkey. He received his bachelor's degree from Marmara University followed by a MBA from the Istanbul University. Throughout 1970's and 80's he served in managerial roles for prominent local companies actively taking part and witnessing the establishment of the Turkish IT industry as well as the flourishing of the Turkish tourism industry. In 1989, he founded his own company Protel to provide technology solutions specifically for players in the hospitality and F&B industries. After three decades, Protel is the strongly established market leader with serious aspirations to be an innovative technology service and support provider on a global scale through its sister companies Protein Technology, Propera International Mr. Arghan currently serves as the Chairman of Protel Group of Companies.

About Protein Technology

A young tech professionals group with a love for technology and a passion for innovation on a global scale yet aiming to create simple and intuitive products for real HORECA players.
