

Michael Kajubi

Michael Kajubi is the founder of McBern Tours and Travel, an inclusive tour company providing premium tour services in Uganda and throughout East Africa. He started his business in 2013 with the intention of supporting the McBern Foundation which helps marginalized aging adults and marginalized young people who have survived some form of family rejection because of their sexual orientation or gender identity. Michael's business mantra is TRIP – transparency, responsibility, integrity, and professionalism. Michael envisioned a safe working space for LGBT+ people, where he can show tourists of all identities the beauty of Uganda, while helping the elderly and the marginalized youth.
