

Monika Wiederhold

Monika Wiederhold has been the Managing Director of Amadeus Germany GmbH since 2017, with overall corporate responsibility for the markets of Germany, Austria, and Switzerland. Since January 2019, she has also been Executive Vice President of Airlines Central and Eastern Europe. Previously, she served as Senior Vice President of Travel Channels Retail for the NECSE markets (Northern, Eastern, Central, and Southern Europe) in addition to her role as Managing Director.

Monika Wiederhold began her career at Deutsche Lufthansa AG as a data scientist for network and flight planning systems, followed by various senior management positions in the Lufthansa Group, including corporate strategy, crew scheduling, product management & innovation. She is an active member of international networks on topics related to the digital innovation of the aviation industry.

The graduate mathematician likes to immerse herself in new worlds with a passion for artificial intelligence and platform economy. If you look for the "red thread", you will find it on the topics along travel, digital innovation & collaboration. She likes multicultural environments where all the market participants collaborate for shaping the digital future of travel.

Travel powers progress. Amadeus powers travel. Amadeus' solutions connect travelers to the journeys they want through travel agents, search engines, tour operators, airlines, airports, hotels, cars and railways.
