

Dr. James Morgan

Dr. James Morgan is a Principal Lecturer in Event Design and Technology at the University of Westminster, London and the Founder of Event Tech Lab, a partnership community for event technology companies, event professionals and investors. He was named as one of Eventbrite's Top 100 Event Professionals in 2016; as well as being awarded the International Live Events Association's top accolade, the J Robert Graves Pioneer Award for his services to the association in the same year. He was also voted as one of the Top 20 Industry Changemakers for 2017 by US publication Meetings Net magazine. He was recently voted as one of the Top 100 Most Influential People in the Events Industry in the Eventex Global Awards 2019. As a respected international speaker, writer for Mash Media and previously for Event MB, James judge's industry awards in Europe, North America and the Middle East each year. As a truly international event professional, he is passionate about researching topics on experience design, attendee engagement and technology.
