

Morgann Lesné

Morgann Lesné began his career with Exane, in the trading room. In 1999, he joined MGT and discovered the world of corporate finance and M&A advisory. After that, Lesné turned around, created, invested in, shut down and sold companies for six years. In 2009, he decided to David Salabi him and became a partner at Cambon. As a member of the team, Lesné helped develop the counterparty network and international deals, and then set up the Travel & Hospitality practice.
