

## Gero Graf

Gero Graf is CCO and co-founder of Qunomedical, a digital health platform that provides patients around the world access to affordable healthcare treatments. Before co-founding Qunomedical, Graf was MD at peer-to-peer car rental service Drivy, where he launched Germany as the first international market for Drivy France. Before his time with Drivy, Gero spent 6 years at Google in London, where he worked as Analyst and in Strategic Partnerships.
