Optimizing Sales By Integrating Last Seat Availability

Date	Time	Location
March 6, 2019	17:30 - 18:00	Hall 7.1b, eTravel Lab

In the existing landscape 50% of all products are blocked out and can't be sold within three days of departure due to lack of connectivity to last seat inventory. Understand what to look for when trying to access and integrate your product into your sales activities and why 'live' inventory is so important.
