New Work: How Machines And Humans Work Together

Date	Time	Location
March 4, 2020	17:30 - 18:00	Hall 6.1, eTravel Stage

- The future of tourism has been a network company without an office since the end of 2013.
- Which digital tools are used?
- How do you implement large projects?
- How does this work on a personal level? A concrete best-practice example of New Work with insights behind the scenes.
