

Jörg Möller

Jörg Möller is Executive Vice President of Sales Travel & Mobility at Wirecard. He has worked at the leading global provider of cross-channel technology in the digital payment sector since 2004. Jörg has also been responsible for Wirecard Technologies GmbH as CEO since December 2012. Before that, he was COO at Wirecard Asia. With the founding of the Sales Travel & Mobility division, Jörg also headed up sales verticalization in order to improve customer care. As Executive Vice President of Sales Travel & Mobility, Jörg and his team develop and implement digital payment solutions for the aviation, tourism and public transportation sectors. Jörg holds a degree in economics from the University of Wuppertal and has worked among others as a Senior Consultant at Catalog International A/S in Copenhagen, where he oversaw technical management for the DACH region.
